# A MESSAGE FROM YOUR ONCS ADVISORS

We are so happy to welcome you to the first-ever inaugural ONCS Scholarship Celebration! The University of Utah's Office of Nationally Competitive Scholarships was created in 2020 to continue the work happening across campus for the past 75 years. Despite the ongoing COVID-19 pandemic, we have seen such an amazing group of scholarship applicants, semi-finalists, alternates, and recipients since then!

We are honored to be able to help students navigate the process of applying for nationally competitive scholarships, both domestically and abroad, for both undergraduate and graduate students. Our office informs and advises students about scholarships for which they are eligible, assists them in the application process, organizes endorsement committees and arranges interviews, endorses candidates, and acts as a liaison between them and their recommenders, as well as scholarship directors.

We are so honored to mentor and guide students through this process, and we have been amazed at the results. You must be so proud of yourselves because I know we are!

Ginger and Alison  
Office of Nationally Competitive Scholarships

# PROGRAM

## Saturday April 16

### 5:30-8:00 pm

#### Arrive & Mingle

---

Mingle and enjoy some food with fellow students who have applied to nationally competitive scholarships

---

5:30-6:30 pm

#### ONCS Remarks

---

---

6:30-7:00 pm

#### Introductions
